## New Principal Recruitment - thoughts from parents

### Introduction

We are just starting the process of recruiting a new principal. A key first step is to come up with a clear idea of the sort of person that we should be looking for. We think that it is important for the school community to be consulted and have input into the process. One way of having input is to complete this questionnaire and drop it into a 'Principal Recruitment' suggestion box that will be outside the school office from Wednesday 26th July.

An online survey will be set up if you would prefer to provide feedback that way. A link to the survey will be emailed around.

We need all responses by **Wednesday 2 August**.

There will also be a meeting 7-8pm on **Monday 7 August** to discuss the sort of person we would like as our new principal.
