TONIGHT'S CRAFT NIGHT POSTPONED UNTIL
WEDNESDAY 7th SEPT - 7pm – 9pm
NEW VENUE: 14 ARUN CRESCENT

Due to a double-booking we will have the craft night on Wednesday 7th instead. We will be making funky fridge magnets and hair accessories at Karen's house – we hope you can come!

OTHER FAIR NEWS

CRAFT HELP

We really (desperately!) need hand-crafted goods to sell at the Fair. The following are ways you might help:

- Donate craft materials
- Attend a craft night: learn new skills and help make cool stuff for the fair (no experience required)
- Host a craft night for friends in your home
- Do some individual home crafting and donate it to the fair
- Ask friends, relatives and neighbours to do all of the above ☺

We have lots of ideas, and can provide materials for crafts to make at home.

VOLUNTEERS

The coordinators of the various stalls and activities are now ready to put volunteers in place for fair day. We will contact you to ask you how you can help, but if you could get in touch with us instead it will be hugely appreciated. There is a list of coordinators for each stall in the school foyer. You can contact the coordinator of your area of interest or contact Karen.

DONATIONS

Thank you for all your donations made so far. Please keep bringing in good quality toys, books, clothes (no household goods thank you), and donations for the Silent Auction.
