Houghton Valley Student Information Consent Form

Images of our students (photographs, video clips, etc) and examples of their school work are sometimes published in our newsletters, on our school website, and other online channels such as the school/class blogs.

We publish student material to celebrate students' work and achievement, to encourage students to participate in our school community, and to promote the school.

We believe it is important to celebrate students' achievements, but are aware of the potential risks when such personal information or material is published online.

In the interest of safety and security we require parents to give consent before publication. With consent, we share no more than a student's first name, image, or work in the school newsletter, on the school website, or in the wider online community.
