

HOME AND SCHOOL ASSOCIATION FAIR UPDATE

COMMUNITY, CONNECTION, CONTRIBUTION

Hello everyone,

Thanks for all the mahi that has gone into our fair - it's been wonderful to see the community come together.

This is our final note pre fair, so please be sure to have a read below:

1. **This Friday** - this is set up day for all the inside rooms - books, toys, clothing, crafts. Please come along and help - Many hands make light work!! As always, we will **set up a movie / food for the kids.**

2. **Tea Room** - This is a lovely room where visitors can come sit down, cafe style and enjoy a cuppa. Please consider making the following for the tea room: Club sammies, cinnamon scrolls, cupcakes, lemon meringue tarts, fancy chocolate tart with lashings of cream & strawbs. (Fresh items can be dropped at school any time from 8am on Sunday morning).

3. If you can **volunteer** and haven't yet, **PLEASE text Nicola (021 155 9653) Nicole (021 979 282)** - they are still trying to fill gaps. If we can't fill the gaps, some things will not be able to go ahead. :(

4. I will send out a volunteer *key info* sheet on Wednesday to all the **lead co-ordinators**. Please keep your eye out for this in your inbox.

If you have any questions, please flick me a text - 027 210 1925.

Finally, don't forget your sun dances this week!

Cheers,

Sarah hvsfair@gmail.com

HVS FAIR Volunteers Needed

WE NEED YOUR HELP! We still need a lot of volunteers to help us on fair day. This is a great opportunity to meet other members of our school community while supporting the wonderful things the Home and School fund for our tamariki.

PLEASE text Nicola (021 155 9653) Nicole (021 979 282) - they are still trying to fill gaps.

This makes a significant difference to what we can do for our kura. In the past it has paid for new furniture in all of the senior classrooms, iPads, Chromebooks, Kapa Haka, band, Librarian, Flying Fox, Swings, bikes the list goes on and on!
